U.S. Ambassador Kristie A. Kenney shares a light moment with students of Basak Elementary School during her recent visit to the Islamic City of Marawi. Ambassador Kenney inaugurated two new classrooms, several refurbished school buildings, and a stage built through the humanitarian assistance partnership between the Philippine and United States armed forces as part of the 24th annual Balikatan 2008.. The new classroom was provided with new desks, supplies and other furnishings from the non-governmental organization 3P Foundation USA, headed by Andy de Rossi. (GEM)
